

# Allcare Rehabilitation

1214 W. Reynolds St. Ste. 1, Plant City, FL 33563

Phone: (813) 754-1062 Fax: (813) 759-8254

[www.Allcare-Rehab.com](http://www.Allcare-Rehab.com) Since 1990 Dan Manfre, PT President

## Physical Therapy

Physical Therapy is considered a conservative treatment method addressing the treatment, healing and prevention of injuries and disabilities. Physical Therapy focuses primarily, but not solely on pain relief. It helps to promote healing as well as restores function and movement associated with injury, neurological disorders or surgery. Other areas within physical therapy are ergonomic training (body mechanic), fitness / wellness, most importantly education and prevention. For more information visit our website at [www.Allcare-Rehab.com](http://www.Allcare-Rehab.com).

**HEALING IN MOTION**

**“We believe that people don’t care how much we know, until they know how much we care.”**

Hand Therapy

*“I came to physical therapy after having surgery for a total knee replacement. I was in so much pain, if it had not been for my physical therapist working with me, I wouldn’t be where I am today. I can walk really good now without any pain. Believe me when I say, they are the best; I am glad that I came to Allcare where the physical therapists knew how to help me work past my pain. I feel like I am healed now. If I ever have to come back to physical therapy, it will be with Allcare. Thanks everyone for all of your help.”*
